Chelsea Reservation System Basics

- Members may submit requests up to 14 days in advance or as few as 4 days in advance before 11:00am. This is NOT a first come first serve system so there is no advantage to submitting requests 14 days ahead.
- Members may submit a recurring request as far ahead as 60 days if you play on the same days with the same members. Guests cannot be included in a recurring request.
- Groups of members who play together can create a buddy list for making reservations, and may link up to 12 players in a request with the understanding that the entire group's points will be considered for placement.
- All requests are ranked by Chelsea on the morning of placement 4 days in advance so this means all requests for a Friday placement will be ranked on Monday morning and placed on the tee sheet Monday afternoon at 4:00pm.
- All unfulfilled requests on a given day will be placed on an Overflow List that the Golf Shop has access to. Groups will be contacted in order of ranking in the event of a cancelation.
- All requests are prioritized using the following criteria: Foursomes are placed first and foremost, threesomes are next followed by twosomes and singles. Twosomes and

singles will be paired together as long as both requests have similar request parameters. The Chelsea System will not place a single player request by themselves on the tee sheet at any time.

- Each request is given a ranking based on the average points of all players in the request. The Chelsea will also factor in play history 14 days prior and placed tee times 3 days forward for each player in the group.
- Transfer tenants will assume whatever the average point total is for all members on the day of placement. Tenants do not start at zero points.
- Chelsea is a points based system and points are assigned in one of the three following ways. You are assigned 1 point at the time of placement. You will be assigned 1 point at the end of day if you book a time after the Chelsea Placement has taken place. In both cases you will be assigned 1 point for each guest you bring also.
- Walking and any non league nine hole rounds after 3:00pm will be assigned ½ point, as well as the back nine morning tee times from January through March. All other 9 hole rounds during the day will be assigned 1 point.
- The higher your point total the less likely you are to receive a tee time during the busy season.
- Each member is allowed up to 3 guests per day and the member must play with the guests. There are NO EXCEPTIONS to this policy January-March.

- Falsifying a request to gain an advantage is a serious offense and will not be tolerated. Misuse of a group's buddy list by manipulating players with lower point totals and then substituting other members after placement will not be tolerated as well as using non golfing spouses.
- Members who are found in violation of the Chelsea System will receive a written warning in the form of an email from the Compliance Committee for a first offense. A second offense will result in loss of Member privileges for 30 days.
